Subject: MINO file allocation - June 2020

Hi all,

I just wanted to share this updated file allocation for everyone who has ever uttered "who's got that file?!"

It focuses mostly on the policy universe – especially with Joel headed westward. ☺ But it also touches on Ops and Parl Affairs, and I wanted to especially note that Tyler is going to be joining the double-hatting trend and taking on an additional Ops role, lending a hand to Caitlin and Dove in Northern, Southwest and Durham region Ontario!
