DG MCM Committee FORWARD AGENDA

ITEM	COMMENTS	LEAD	PROPOSED DATE
1. CEPI Discussion	 How the DG MCM Committee might help to continue facilitate the discussion between CEPI and the GoC. HC has already had some discussions about clinical trials, but there is an opportunity to expand beyond clinical trials in Canada. Table at future meeting after circling back with HC and NRC. 	NRC	TBD
2. Vaccine Safety/Monitoring	• TBC with HC after discussions that week.	PHAC or HC	TBD
3. Clinical trial protocols and reporting in the context of COVID-19	Gaya	MHPD	June 24 - TBC
4. Update on vaccine supply procurement list	 Gina raised this at June 23 DG MCM prep meeting. At a later date, should come back with vaccine supply procurement update including list of critical supplies – supposed to send a 1 or 2 pager to VTF. 	PHAC?	TBD
