The borders item was just proposed this am by Kerry so I'll have to confirm. May depend on how it goes at Cabinet...

Ok, thank you. And is there a deck for borders? I understand the data item will be a short 5 minute item.

My understanding is she has a deck that would go out if the DM is comfortable with it

Thanks Luke. Is Jo's item a demo, paper or verbal?

Hi Kendal,

It looks like it will be 6:30 pm - IGA DMs may may participate after all (still waiting for confirmation).

We are looking at 3 potential items (4 if we have Chris Fox participate)

- 1) PPE modelling (Jo V)
- 2) Planning for borders (PHAC)
- 3) Completeness of data reports for Indigenous people (PHAC)
- 4) FMM debrief

Will put this in a word document shortly

Luke
