Hi Luke,

No, The DM would like a preliminary discussion with DMs first. The plan would be to have a discussion first with DMs on scenario planning and planning for resurgence.

1. PHAC update on scenario planning
2. Planning for resurgence (DM Lucas lead - 2 pager with dashboards.
3. PT updates on scenario planning and resurgence (3 jurisdictions)
4. PPE dashboard update - JO Voisin

For HMM - theme scenario and resurgence planning

1. SAC verbal update on scenario planning and resurgence
2. Jurisdictions to speak to
 - A) managing now - including outbreaks etc
 - B) planning for resurgence

We could have PTs speak to both or they could speak to one

Could you draft up agendas this afternoon and we can run by the DM.

Thanks

Will do. If HMM is on Wednesday, perhaps we should keep the Thursday CDM at 11 am?

Thanks for the update. I understand a preliminary scenarios deck or discussion has gone to SAC already. Can you go back and talk to them about a preliminary scenarios discussion.

As discussed, I've spoken to or left messages with PEI, AB (for CDM); and NL, BC and NS (for HMM)

Still need to touch base with SK, ON, NWT and YK.

Kerry flagged that SAC is having its discussion on scenario planning on Tuesday so PHAC would want to provide its presentation (update from SAC on resumption planning) the following week at the earliest when Dr. Tam is back. They also want to have enough time in between their SAC discussion and a discussion with DMs.
