We proposed a few things on the forward agenda but they are somewhat speculative (other than the SAC update which is a standing item). Will likely be further informed by what goes forward to DMs this week (e.g., testing, PPE modelling) on FPT priorities

**SAC Update (Dr. Tam)**

**[TBC] Health Care Services**

**[TBC] Long Term Care**

For tomorrow, DM Angus can be available from 12:30pm for 1 hr. Waiting for PCO to confirm.

For HMM, waiting for Vanessa to confirm if Thursday at 10am works for the Minister. Please note 10 am does not work for Minister Elliott.

Hi Kendal,

Will ask Joan to look into it. Tomorrow may also be challenging – doesn't seem like DM Angus is available in the afternoon (that's when DM Fox is free) and she wants to be part of any testing discussions

Hi Luke – It looks like the HMM can't happen Friday morning with the Minister appearing before committee from 11-12. Do you think Thursday morning at 10 is a possibility?
