Sounds great! Let us know what you prefer. We will be ready with both the analysis to respond to those questions by end of week,

And the updated questionnaire after Monday so timing can be based on your needs.

Tobi

Subject: RE: Feedback for the PPE Survey - Due Wednesday July 22 at 4pm

Thanks Tobi! In thinking about the agenda for the next DM meeting, I'm hoping to include an item on the private sector survey where StatCan can provide a bit more insight on changes to the survey based on consultation with ISED and PSPC this week, as well as answer to some of the questions raised last time.

This could be at a meeting either next Tuesday or on August 4. Will keep you posted. Thanks!

Jo

Subject: Feedback for the PPE Survey - Due Wednesday July 22 at 4pm

Hi,

As mentioned in the PPE DM Steering Committee, we are offering the opportunity to provide feedback on the questionnaire before our 3rd installment of the PPE Business Survey which will go into collection early September. We are not actively looking to change the questionnaire, but are open to considering suggestions that could allow us to fill some existing data gaps beyond what Health Canada has needed for the PPE Demand Model.

Attached is a word document of the questionnaire, but also two HTML links that bring you directly to the Electronic Questionnaire as it is seen by respondents.

We are asking for feedback no later than Wednesday July 22 at 16h00. It can be sent to Tobi DuMoulin at tobi.dumoulin@canada.ca.

Thank you,

Anil Arora
