Hi Joe,

Caroline shared with me a copy of the contract and amendment for Thornhill.

Do you know if Thornhill will be seeking an advance payment or deposit on this contract? There is no reference to an advance payment in the contract, and I have not received an invoice. However, I

wanted to know if there was any discussion between PSPC and the supplier about providing an advance, and whether I should anticipate receiving an invoice for an advance/deposit.

Please advise,
Thank you,
