Is it a call with PMO and DPMO today or an
internal coordination one? If the latter, we have one
set for 2:30 that you could join at 2:50 or so to
discuss this request.

Hi,

PMO and DPMO would like to meet
to discuss industry
requests/engagement with respect to

PPE. We may need a call today, probably around 5pm. I know Paul had a good call with Sobey's and depts. yesterday however this is intended to be broader. Could you please let me know if 5pm gives you sufficient time to have this dialogue? I understand political staff discussed yesterday.

Let me know if this works and who would be on the call from your depts and I can organize something today. Thanks.
