Subject: Re: China - Medical Supplies

I understand we have requested help formally, at least at officials level.
Saw that Hajdu sent a letter to her Chinese counterpart in last days. I haven't seen the content.
Also - GAC is working with PHAC and PSPC to triage a surge in offers of medical supply assistance from Chinese companies

FYI. We are hearing of China reaching out directly to provinces on whether or not they have needs re: medical supplies.

BC for sure and we think Alberta and Ontario.
