Morning-

That is correct, ISC procures and maintains our own stockpile of personal protective equipment. That said, provinces are supposed to be the primary provider of PPE and we step in to fill gaps.

Hi everyone,

Our understanding is ISC has their own stockpile (and they order as part of bulk purchasing). And it would be ISC distributing to communities.

I add ISC here!

Thanks,
Ash

Adding Ash on NESS Q. Will confirm on flight assistance. I know we are working on triaging a large number of requests and topping up the flights at this point.
