Hello,

In these difficult times we are striving to meet the needs of our current customers, and your needs as well.

I am attaching the list of items available from our health division. Let me know what you need.

Please note that the prices are in US dollars and include delivery to your warehouse for air delivery. For the last two items on the per-boat list, the price is FOB; you have to add the transport. I can calculate it for you if needed.

Do not hesitate to contact me with any questions and we look forward to helping you.
