Hi Anthony,

Do you progress on our case?

We need to act quickly, the reserved stock we have will be released to other customers in 2 days.

We will lose a great inventory.

Can I spoke to a contracting agent today?

We still have access to Ventilators, mask N-95, face shield and full suits.

Thanks

STeeve

Hello Mr. Lavoie,

Thank you for reaching to MP Greg Fergus and offering your products to Canadians. His office passed along your information to Minister Anand's office on your behalf.

I am contacting you to share information with you regarding suppliers for goods and services related to the COVID-19 pandemic. As you know, in addition to leveraging existing sources of supply, Public Services and Procurement Canada (PSPC) is now proactively engaging industry to help meet Canada's needs.

I invite you to fill out the following form so we can track your offer: <https://buyandsell.gc.ca/calling-all-suppliers-help-canada-combat-covid-19>. As this website will continue to be updated, I encourage you to check back for new information that may be posted.

Our department is reviewing the significant number of responses and identifying potential suppliers for the goods and services that may be required as the COVID-19 situation continues to evolve.

Thank you for your support.

Best regards,

Chelsea Kusnick
