Hello Jean Luc,

Thanks again for your cooperation.

I mentioned it on FM 93 over the weekend and yesterday on Radio-Canada (report to air later).

I'm reaching out to you again, this time regarding medical equipment.

A friend of mine, Dany Gagnon, VP of Chrono Aviation, is ready to pick up 3M masks and is asking me who he should contact.

I thought of you.

You can reach him at

Dany Gagnon Vice-president Chrono Aviation [418-529-4444 ext. 2](tel:418-529-4444)

dgagnon@chronoaviation.com

Many thanks,

G

PS: Here is a copy of his message:

I'd like to offer some assistance. I have access to 3 million KN95 masks with my Airbus 340, which will be coming back next week.

I don't know if the government is still looking for equipment or do they have enough? I don't have any contacts so I'm giving you this info if you think it could be helpful to anyone.

We're already getting several million for private clients but I was given the option to get 3 million more....
