Thank you very much!

GM was more of a placeholder in case that contract gets signed! If that's the case, the Minister will just add a sentence to note the development.

Thanks,
Emily

Hello Emily,

You will find attached a version with tracked changes and a clean version of the speech, which was QCed.

As discussed with Me'Shel, we will update the figures either this evening or tomorrow.

We noted the addition of "GM?" on page 4. Could we have some details, namely the information sought?

Also, we are looking into your question regarding the 600,000 face shields.

Thank you,

Getatiene

Thanks HAL. Can we get a quick QC — by 3 p.m. — for the French I added?
