Thanks. I apologize for sending this to the wrong people at first.

It was a stupid mistake.

Hi Ayesha,

Allan used to work in government in Manitoba. He didn't give me anymore info than in the email below but would someone from your department be able to reach out and speak to him about the possibility of procuring the masks?

Hi Jeff, as per my earlier text, I've been contacted by an overseas FDA approved N95 Masks manufacturer asking to be put in contact with someone in Health Canada in charge of purchasing, in response to the current epidemic.

I'd appreciate your help in making the contact.
