Hi Sabrina,

Apologies for the delay in responding. I would advise that your stakeholder fills out the form, in turn, a department official will reach out once they decide if they will pursue with their submission.

Subject: RE: Procurement of N95 Masks from China
Importance: High

Good day,

Our office has been in communication with a Mr. Nash Yousef regarding certified N95 masks available from China. He has contacted our office looking for further direction on how he can bring these much needed masks to Canada and had questions around what paperwork is involved. I understand there is a submission form available here: <https://buyandsell.gc.ca/calling-all-suppliers-help-canada-combat-covid-19> however I'm unsure if foreign suppliers may use this as well.

I appreciate any further clarification you can provide our office moving forward, and know we wish for your health and safety during these unprecedented times.

Warm regards,

Sabrina M. Cigana
