Good morning,

Direction sought on the following:

-Presser on Friday, Sept 25

Could PSPC MinO kindly verify with the centre for details on an upcoming presser on Friday and advise on whether PSPC would write Minister's remarks. Any information you could provide would be helpful.

Reminders:

- Is the plan still to publish the **COVID web table** update on Thursday, as previously mentioned? If so, approval is sought at your earliest convenience.
- **FWSAR** – There is an event planned by DND (and to be attended by DND Min) to mark arrival of first FWSAR aircraft in Comox, BC. A Min Anand quote will be featured in the DND NR accompanying this event.
- We no longer are seeking approval on the NRs for the **Canadian Collaborative Procurement Initiative-BC** agreement and **Ocean Protection Plan hard shell barges**, as British Columbia is undergoing a provincial election. One of the winners of a contract is located in BC.
