Hi Chantal,

Hope you are doing well.

I will note the BuyandSell portal is managed by PSPC so adding Tyler and Dove who may be able to look at it from their side.

With respects to regulatory approval from HC for the hand sanitizer, can you confirm they have submitted an application directly to HC. If so, can you ask them for send additional info so I can look into this (company ID; copy of the application etc.)

Thanks!

Subject: Inquiry on behalf a constituent

Good afternoon Gowthaman,

I received a call from a constituent, Mr. Tom Ricci of Ricci's Printing. He informed me that he is looking for information in regards to a product he has developed, hand sanitizer and has filled out the appropriate documents as laid out on the Buy and Sell Canada website. Can you confirm that his request has been received by your department and if he has been approved by Health Canada to proceed to the next phase?

Thank you for you time and assistance in this matter.

Have a wonderful afternoon,

Chantal Talbot
