Hi Dove,

We submitted our Interim Report (IO) last night and I received an automated response that it was received.

This batch that is coming in has 100,000 ASTM Level 2 face masks, in pack of 50 = 2000 boxes. 1643 boxes are already sold, so that leaves 357 boxes unsold, equalling = 17,850 masks. These can be yours and they are expected to arrive next week. They are priced at \$49.99/box, however, we want to be as cost-effective as possible if these masks will have an impact in Canada's progress with flattening the curve -- we can bring them down to \$40/box. This price will be higher for the next orders because we placed this order 3 weeks ago.

As for more supply of these masks, n95, kn95, gowns, and the others, I am gathering final prices and quantity available and will submit the form tomorrow. Would you like me to fill a separate form for each device, as well as send an email to that "generic" email?

Sincerely,

Hi Nick:

Please see below for the information we discussed earlier today.

### **FOR EXISTING SERVICE PROVIDERS OR MANUFACTURERS (NOT RETOOLING):**

Public Service and Procurement Canada (PSPC) has established a web portal and intake form for suppliers that are able to provide specific products (i.e. N95 masks, gowns, gloves and other PPE) or services (i.e. nursing, food, security)

- Information submitted through the web portal & generic email address are triaged by type and then referred to a procurement "tiger team" that crosswalks the information submitted through the portal to requirements determined by PHAC & P/Ts

- Web portal: <https://buyandsell.gc.ca/calling-all-suppliers-help-canada-combat-covid-19>
- Generic email address: TPSGC.PABPMEClient-[APOSMEClient.PWGSC@tpsgc-pwgsc.gc.ca](mailto:APOSMEClient.PWGSC@tpsgc-pwgsc.gc.ca)
