**Subject:** Oliberte Mask Pricing: New Lower Pricing > June 4th 2020

Hi,

Please find below our mask offering with reduced pricing as of June 4th, 2020. We hope to have pricing for our Made in Canada collection early next week as we are running testing this week.

Given this new pricing, we are only offering volume pricing discounts on our KN95.

As always, if you have any questions or would like to discuss, please let me know.

Regards,  
Tal

**Factory Partners in China**

Oliberte exports with factories that are approved for export in China and approved medical device companies, according to the China National Medical Products Administration (NMPA). We currently work with 5 factories in China. If you like more information on any of our partners, do not hesitate to ask.

**Made in Canada Non-Medical and Medical Face Masks**

We have decided to purchase and bring in-house the machinery needed to produce Non-Medical and Level 1 Face Masks. We we will be up and running by mid-June with non-medical masks and end of June with medical-grade masks.

If you are interested in placing an order for end of mid to end of June, please let me know so we can work out pricing.
