**Subject:** FW: ELI Promotions Inc. - Reusable Isolation Gowns (Product Availability & Inquiry)

Hello Elliott,

This individual's MP contacted us, as he has registered through the Buy and Sell page to provide PPE, and has yet to hear back.

If someone in the department could contact him, it would be greatly appreciated.

Thanks,  
Michael

Hi Leslie,

Hope you are doing well & staying safe !

Wanted to reach out to see if you or Marty have any Federal contacts in the Procurement department that I can get the information on our Level 2 Reusable Isolation Gowns to ?

Our company has now successfully completed delivery of over 1.6 Million Gowns for the Province of Manitoba & 2 Million Gowns to clients in the US.

Please see below a summary of features & benefits of our Reusable Gown:

**= Reusable Gowns**

**= Fabric: 100% Polyester Fluid-resistant fabric**

**= Product data spec attached**

**= Fabric is non contaminating (PFAS test attached)**

**= Gown meets AAMI Level 2 water barrier tests (see attached SGS Lab report)**

**= Gown is reusable & can be laundered up to 75 washes**

**= Product photo (see attached)**

**= MDEL Health Canada Licensed (see attached)**

=====

Our factory has available production capacity for the following deliveries:

= 500,000 pcs. Ex-factory - early September

= 750,000 pcs. Ex-factory - End September

= 750,000 pcs. - 1 Million pcs. each month starting October 2020.

= We also have current inventory available for immediate shipping.

=====

Our company has been an import specialist in the Healthcare apparel category for 25 years & work with some of the largest clients & distributors in the US & Canada.

We currently are producing these Reusable Gowns under contract for:

= Province of Manitoba

= WHRA

= Image First
