Hello Mr. Minter,

Kevin passed along the below email to me.

Can you let me know if you have submitted your products on the buyandsell.gc.ca portal? If not, I would invite you to do so. Once you have, please pass along the reference number you receive and I can follow up with the department on your order.

Let me know if you have any questions.

Thank you for your support.

Greg/Kevin,

Kevin, Thanks so much for getting back to me so quickly! We did get contacted by Health Canada and have the process to get our hand sanitizer approved and into Canada. We will keep you updated on that progress.

Attached are the documents and descriptions of other COVID19 products that we have available.

Namely:

1. MASKS - 3 ply and KN95
2. SUITS
3. Ventilators (1000) Must make a quick buy on this!!!
4. Thermometers
5. COVID RAPID test kits!!!

We would like to get in front of a procurement officer who can assist us in reviewing if there are any needs for these items at the federal or provisional level.

Respectfully,

Doug Minter
