Dear Minister Anand,

I trust you're keeping well during this time.

Per request, I'm connecting you with Chinesh Dave, a local business owner who has a connection to a large number of, from what I'm told, high quality N95 masks from overseas.

Would your staff be so kind as to connect with him directly?

Mr. Dave, please feel free to connect directly going forward. As mentioned, I am not permitted to participate in any business dealings for this matter.

Kind regards and good health,

Jasvinder K. Sandhu, BBA JD
