**Attachments:** CCMOH Statement Use of Non-Medical Masks by the Public Final Draft 04-07-2020.docx

Hi MinO,

Following recent discussions at SAC on evidence on asymptomatic and pre-symptomatic transmission of COVID-19, and aligned with new WHO advice on these issues, CCMOH will be issuing a statement (likely to go live today) on the Use of Non-Medical Masks by the Public, as a step they may take to help protect others.

It has been flagged through the Comms channels.

Thanks,  
Isabelle
