Subject: Medicago - thank you

Hi Sabina and Kathryn:

Following the exciting news about Medicago this morning, I just wanted to send a note of thanks for your strong support over the past number of months. We finally got there! I know the Medicago team greatly appreciates that you have always made yourselves accessible to discuss and advance ideas, questions and concerns. This is a great day for Canada and critical for our domestic public health preparedness. There will be a formal thank you coming from the company but wanted to get in the gate quickly to share our appreciation.

All the best- Dani
