Elizabeth;

In Taylor's absence, Ann-Marie Paquet would be the subject matter expert on this in SCMS who can review. In addition, DG Jason Bett should be provided the opportunity to provide final SCMS approval on this file today.

Hi Tim,

Following up on this email.

Before we move this along to SCMS-ADMO, we would like to confirm there were no comments or concerns with the updates made post SFT to the "COVID-19 Research Investments" KM.

I see that Taylor is out of the office today. Would you be able to confirm in her absence?

Thanks very much,
Elizabeth

Subject: FOR EXEC APPROVAL ATTN: TAYLOR OR TIM: SRS KM on COVID-19 Research Investments

Hello SCMS Executive Committee, Taylor, and Tim,

The attached key message document on COVID-19 Research Investments was updated last night after the Speech from the Throne.

Please note we have two additional cards (Vaccine Task Force and CanSino) that are currently with the NRC for approval. The VTF card has also been shared with the Task Force itself.

The attached card has been reviewed and approved by SRS ADMO, as well as Ann Marie Paquet for SCMS.

If there are no comments or concerns with this card, we will send to SCMS-ADMO this evening for finalizing tomorrow.

Thank you,

Elizabeth
