Subject: FOR MINO APPROVAL - Vaccine Task Force QA for PSPC announcement

Good evening,

In advance of tomorrow's vaccine announcement, led by PSPC, please find attached an additional draft Q and A that PSPC requested, which describes the process of Vaccine Task Force advice flowing to the Government of Canada and what happens next. The response includes SIF language that is in line with what was provided to us from Industry Sector for the KM card on VTF conflicts of interest that you reviewed this evening. The second is an additional question suggested by the Task Force on an additional conflict of interest.

The responses have been reviewed and approved by the Vaccine Task Force and have been shared with SIF for awareness.

Please let us know if you have any questions or concerns. Since PSPC's announcement is tomorrow they are wrapping up their products and sharing with their MINO shortly.

Thank you,

Taylor
