Subject: FW: FOR DMO REVIEW - DRAFT Vaccine Task Force Q&A for PSPC announcement

Simon, Paul:

A Q&A for the announcement tomorrow, based on pre-approved language. Approved by the VTF.
Looks fine.

Questions include:

- Q. How are the Vaccine Task Force's recommendations made to the Government of Canada?
- Q. Did Chris Procyshyn, Chief Executive Officer and co-founder of Vanrx Pharmsystems, recuse himself from discussions around the recommendation of the purchase of the Vanrx biomanufacturing machinery?

Subject: FOR DMO REVIEW - DRAFT Vaccine Task Force Q&A for PSPC announcement
FOR DMO REVIEW

Hi DMO,

Attached please find a draft Vaccine Task Force Q&A, in advance of tomorrow's PSPC-led vaccine announcement.

Note that this Q&A was specifically requested by PSPC for their announcement, was developed with pre-approved language, and is in addition to the comprehensive KMs being worked up.

Reviewed and approved by the Vaccine Task Force, and shared with Innovation Canada (SIF) and IS for info.

Shared concurrently with MINO comms, since PSPC is hoping to get these specific Q&As OK'd quickly if at all possible.

Thanks and happy to chat,

Eric
