Hi – you can respond once we receive approval, it will go to translation on an urgent basis and will be posted to coincide with the registry.

We may wish to specify the time period in the last para.

I will share this with Mitch and DM.

Is the intention to post this as soon as there is approval on the registry doc?

Importance: High

Good morning Taylor and Jason,

Further to discussions this weekend attached are our suggested edits to the current web wording to broaden wording around transparency.

The content has been reviewed and approved by Roger.

I look forward to your feedback as soon as possible.

Best,

Marie-Eve Létourneau
