Subject: Draft comms plan and key messages for the CVTF

Hi Christine, in light of the recent media activity and the increased number of interviews etc. task force members have been giving, we have pulled together a draft comms plan which we would like to chat through with you and Marie-Eve and, at the appropriate time, with ISED. This effort (and thanks so much Purni) is really just to get the ball rolling and we very much look forward to shaping it with you. Best, Roger
