Apologies for the delay everyone – attached is a translation of this KM as it stood last night. Please note NRC is currently reviewing the SFT language we inserted (French is highlighted) but may have other changes as well. Just sharing what we have now in case an urgent need arises.

Thanks, James

Adding others – could someone share the latest KM pls?
Taylor – we should work with our editorial team to have this KM translated asap ... at least the high level lines.

Is this the final version? If so, I should circulate to the PCO working group.

Hi Jason,
Do you have a French version of these key messages?

Thanks,
Marie-Eve

These are the latest KMs approved. I am aware there are two comments but you may wish to share them with members of the VTF.
