Hi there – just an FYI that I will be in SEC/PMEC tomorrow from 9:15am-3:15pm. I am not usually at stand-up on Tuesdays, but with Mireille away, I will step out of the President's COVID update call for the stand-up until 9:15am.

Tomorrow is going to be busy on a media front with the vaccine task force, so I will ensure to keep my eye on my email so I can approve any media calls. We have a few current ones that Marie-Eve is working on at this hour. Matt/Marie-Eve please send me a text when you send me media to approve – I will also be on Teams for that duration, so everyone, please feel free to “teams me” 😊
