Subject: Biomanufacturing subcommittee on Monday, July 6 - 1:45-2:30

Hi. By now, Iain should have received an invitation to the subcommittee meeting on Monday for 1:45-2:30. Please have your office let us know right away if this time does not work for Iain for any reason, as I will need to re-jig the agenda. We are assuming that your colleagues copied in this email should also be invited.

Thank you.

Rione Novak
