FYI Jeff – Roger appreciates continuing to monitor VTF discussion in the House. The issue may also arise in the context of committee work once they are re-established.

Subject: QP - interest from opposition into VTF
Hi John,
During QP, MP Pierre Paul-Hus (Charlesbourg—Haute-Saint-Charles) raised questions re: the VTF and reported conflicts of interest. Otherwise, there have been no questions today directly mentioning NRC programs or roles in response to the pandemic.
Today was a heavy circulation of questions related to supports for small businesses; sectors and Canadians in need; and rapid COVID testing.
