Hi Roman and Arianne,

I am working on the agenda for the October 6<sup>th</sup> meeting of the Vaccine Task Force. I just wanted to flag for you that the APA update is scheduled for 30 minutes, starting at 1:30 pm at tomorrow's meeting.

As well, it was mentioned at the last meeting that there would be a need to discuss the COVAX vaccine portfolio with the Vaccine Task Force in the near future. Would it be possible to share the anticipated timeline for this discussion as we would like to ensure that we give this item adequate time in the agenda.

Thanks for your help.
