Subject: Calendar invitation for VTF and JBS

Good day everyone,

You have likely seen a bit of flurry in your calendars for our VTF and JBS meetings, for which we apologize.

We have shortened our placeholder series, which used to extend until the end of September, however our schedule will adjust slightly and the placeholders were causing issues for some with our break week next week.

We will be sending out some confirmed meeting dates for September for both committees, but may have to add to the list if urgencies arise.

Thank you all, and please do enjoy your break week.

Kind regards,

The CVTF Secretariat
