Hey Madison,

Hope you're well! Minister Murray is concerned that we're not looking at options for PPE out of Taiwan (she's hearing it from her constituents).

You may want to talk to Jonathan from her constit. I think he's distributed the Buy and Sell page but Joyce wasn't positive. I got the feeling she may want some of her constituents to have an outlet to share their concerns about how we need to diversify our strategy to include Taiwan (which I imagine we are).

Talk soon!

Matt

Hi Minister,

Thank you for taking the time to chat yesterday. I am connecting you with Madison Taipalus in Minister Anand's office. She is the Western Desk and is able to answer any questions or inquiries that potential suppliers may have.

I have spoken with Leslie (Chief of Staff) and Caitlin (Director of Operations) about ensuring that we are looking at a diverse supplier pool including Taiwan and they assured me we are, but if you have leads, we'd love to hear about them.

Thank you,

Matt
