Importance: High

This is a good lead if it fits the criteria we are looking for.

Working to confirm that it's on Buy and Sell – then we can push into the department.

Hi Dove,

Please see the attachments.

For convenience, and a reminder - since I can only imagine how many files you're working on - Western University can produce 200 face shields per day. With the help of General Dynamics, this number could increase to 600.

Best,

Peter
