Subject: RE: COVID 19 economic stimulus package

Hi team!

Thank you for sharing information on Wise Mechanical Services' interest in providing services related to the COVID-19 pandemic. In addition to leveraging existing sources of supply, PSPC is now proactively engaging industry to help meet Canada's needs.

Many of us are receiving information from potential suppliers or individuals with helpful information on the COVID-19 response. I invite you to direct suppliers that seek to provide products and services to this website: <https://buyandsell.gc.ca/calling-all-suppliers-help-canada-combat-covid-19>. As this website will continue to be updated, please encourage suppliers to check back for new information that may be posted.

My department is reviewing the significant number of responses and identifying potential suppliers for the goods and services that may be required as the COVID-19 situation continues to evolve. I have informed my team in Minister Anand's office of your proactive reach out.

Hope you both are staying healthy and keeping well!

Subject: COVID 19 economic stimulus package

Honourable Carla Qualtrough

Minister Qualtrough, as a member of your constituency, and owner of Wise Mechanical Services BC Ltd., operating out of Ladner, I write to you to ask direction concerning access to the COVID 19 ECONOMIC STIMULUS PACKAGE announced by our Prime Minister.

Specifically, we are negotiating with the BC Children's and Women's Hospital in Vancouver to supply them with boilers for the hospital, this will be a large, multi-million dollar project. We are all rushing to make this a "SHOVEL READY" project suitable to meet the Federal Government's criteria of investing in long-lasting and on-going infrastructure that will benefit Canadian's for years to come.

Request: please have someone in your office direct us to the appropriate department in order that we can begin the process of meeting the governments application process. We will need "bridge financing" and any help the government can provide will be appreciated.

Thank you for the work that you and your staff are doing on our behalf.

Sincerely yours,

Brian Wilson
