Hi Nasser,

Adding in Dove from PSPC. If you come across businesses who have access to PPEs, please direct them to the following portal: <https://buyandsell.gc.ca/calling-all-suppliers-help-canada-combat-covid-19>. This is where we are tracking supplies.

Thanks,
T

Subject: N95 masks

Hi Julie,

I'm a friend of Sonia Krawec's and we've done a ton of work together over the years.

I can assist in supplying N95 masks as well as Canadian made Hand sanitizer to the federal Government and wanted to touch base.

As of writing this email I have access to 1 million units of 3M surgical grade (green color) n95 masks.

I also have NIOSH approved N95 masks as well that can be delivered in under 14 days.

Let me know if this of any interest to anyone on parliament hill.

Thank you,
Matt.
