Hello,

Thank you for your follow-up and response. I have already filled out this form. I can help you, and I haven't been able to get in touch despite my several attempts.

So I'm going to wait, but we are able and have the production capacity. I find it terrible to read the news when we can help you.

Thank you again and have a great day.

Zoé

Hello,

In these difficult times, we are striving to meet the needs of our current customers, and your needs as well.

I am attaching the list of available items in the sanitation category. Let me know what you need.

Please note that the rates are in US dollars and include delivery to your warehouse for air delivery. For the last two items on the by-boat list, the price is FOB; you have to add the shipping. I can calculate it for you if needed.

Do not hesitate to contact me with any questions and we look forward to helping you.
