Hi Caitlin,

Not sure about this one. He says he submitted his form on the buyandsell site but doesn't know his reference number.

I've put it in the tracker, but can the department find his file without the number?

Dear Chelsea,

I filled out the form on the site and submitted it. I didn't get a reference number? If you could send it to me, I can fill it out again and make sure that you are the one who receives it!

The requested information is attached. The price is \$2.50, and we can send you 100,000 units per day.

Each box contains 400 visors.

Thank you for your collaboration.

Daniel Tardif

Hello Mr. Tardif,

I would be pleased to help you with your bid on [buyandsell.gc.ca](http://buyandsell.gc.ca).

Could you send me your reference number, which you should have received after completing the form on buyandsell? Could you tell me how many visors are available and how much they cost?

With that information, I can follow up on your bid with our department.

Thank you for your assistance.
