Adding Caitlin. Shall we wait until we have someone in the Procurement team to message them, or if we have lines on what a follow up might look like?

Hi Madison and Leslie,

Checking in. I updated the list of pricing by factory below. I also have secured a right of first refusal to 80 Philips Ventilators (attached) from Taiwan but need to know if you want them today.

I still have not received any calls after filling out your online form. [Here](#) is the current list of items we can order.

Inventories and prices are changing everyday. Can you please confirm how we may move forward?

I'd appreciate some guidance.

Best,

Neelam Brar
