Subject: For MO consideration: Minister's remarks for today's presser

Good morning,

Please find attached the latest podium version of the Minister's speech for today's presser. It has been edited by our Quality Control team, and we've added a paragraph on PPE/Parks Canada towards the end.

COVID Presser
Remarks - MinA...

Please let us know whether this is a final version (so we can send to PHAC interpreters and PCO), or whether we can expect changes to come our way.

Thank you

France Gionet
