The following are available from my two Exclusive Manufacturers in China. Delivery is available within 3 weeks or less.

Some of the products are in stock. These are available within 1 week. I will ask what is available. What do you need now?

The manufactures can produce in large quantities. Masks for example: 800,000 in 1 week. Other products can be mass produced.

My company has been in the buy and sell site for 3 weeks or more.

If you need more information, on the products, I can supply, just ask.

My number is P [REDACTED]
