Hi Gavin,

Minister Anand passed along your email to me to follow up.

I invite you to complete the form on the portal at buyandsell.gc.ca. Once you have submitted the form, please send me the reference number you receive along with the number of N95 masks and coveralls you have available. With that information, I can send your information to the department.

They are analyzing all the supply submissions we are receiving and will get back to you if they find that your supplies fill our needs.

Let me know if you have any questions.

Thank you,

Chelsea Kusnick

Hi Anita

My name is Gavin Taylor and I work for a Montreal based company that has availability on N95 masks and coveralls. A longtime friend who works at your hospitals in Toronto sent me your email address. We have been based in Montreal since 2002 and would like to share our offerings with you. Please feel free to call my cell at P [REDACTED] to discuss. I look forward to your reply.

Best

Gavin
