Hey guys,

From ISED – have you had any contact with a company called Harco out of Peterborough? They're not in the tracker.

Thanks!

Hi Sean,

No contact on my side. It's PSPC who handles the ordering so recommend you connect w them.

Thanks!
Travis

Subject: 52 million shields on back order

Hi All,

I just read as per the attached link of all the face shields (and other PPE) that the government has on back order – 52 million face shields is of interest to me.

I have not received a single order yet from provincial or federal government and we have thousands in stock plus have our MDEL license.

Is it possible we not listed properly on the proper portals do you think? Or is there a lot of mis – information out there?

<https://www.cbc.ca/news/canada/saskatchewan/ppe-import-china-shortage-1.5552426>

I have been to the federal and Ontario portals and I assume we are listed properly.

Any thoughts would be appreciated.

Regards
