Hi Tyler and Caitlyn,

I had two calls that resulted in a request to talk to someone as PSPC. Would you mind if I connected you to them?

Both ironically are in the business of UV disinfectant lights and are interested in talking to you guys about using it in government spaces. I have attached both their presentations.

- 1) Waleed Khan - info@purilite.ca - 647-996-7464
- 2) Illumisoft – GR: Fernando Melo - Mobile: P[REDACTED] - fmelo@globalpublic.com

Let me know if a connection is good to go.

Thanks,
T
