Hi guys,

Just checking in to see if you've gotten anywhere with the procurement of these masks?

Best,
Elaine

Dove,

Thank you so much for your quick response.

Please meet Michele Romanow and Anatoliy Melnichuk who have more specific information that you are looking for.

Anatoliy and Michele, Dove works with Minister Anand's office and is ready to make this happen!

To confirm, they are KN95 Medical Grade masks.

I will submit on the website now.

Please keep me in the loop and let me know if there's anything else I can do.

I'll be in touch on the other things.

Drinks when this is behind us!!

Elaine
