Subject: procurement

Hi Steve – as discussed, [here](#) is the link to the GC procurement portal for COVID-related supplies.

I've also CC'd Madison, my counterpart in Minister Anand's office, for her awareness.

Madison – Steve runs UniFold Shelters, an emergency biological shelter company based in Uxbridge, ON. They have incredible supply capabilities and are also working on a test kit sanitization solution to protect lab personnel.

Best,

Tim Logan
